

Aloe Heal™
ALOE VERA VETERINARY CREAM

Farnam's Aloe Heal is an excellent first-aid cream especially formulated for use on minor cuts and abrasions, skin irritations, proud flesh, and cracked heels. Aloe Vera Gel, Vitamins A, D and E, Safflower and Sunflower Seed oils in a rich, creamy base combine to make Aloe Heal's soothing action unsurpassed for minor cuts, abrasions and skin irritations.

DIRECTIONS FOR USE: Cleanse all wounds or intended areas of application thoroughly with a mild soap and water. If necessary, clip or shave hair from around the wound area. Cover the affected and surrounding areas with Aloe Heal and bandage lightly if possible with several layers of gauze. Apply several times daily for best results.

FARNAM COMPANIES, INC.
