ORAL PASTE FOR PERFORMANCE HORSES

ALL NATURAL ACTIVE INGREDIENTS

**INDICATION:** A homeopathic product containing natural ingredients to be used as an aid in achieving performance in racing.

<b>INGREDIENTS:</b> Millifolium	6X HPUS	0.042%	Phosphorus	8X HPUS	0.042%
Arnica montana	6X HPUS	0.042%	Methyl paraben		0.1%
Cinchona officinalis	6X HPUS	0.042%	Propyl paraben		0.05%
Cinchona officinalis	8X HPUS	0.042%	Aqueous Gelatin	qsad	100%
Cinnamomum	6X HPUS	0.042%			

**DOSAGE:** For optimum results we recommend two full syringes per horse for race preparation; however, with certain horses, the one mandatory dose is effective.

**DIRECTIONS:** Administer contents of syringe directly into the horse's mouth on the back of the tongue.

**MANDATORY DOSE:** Administer one full syringe as close to race time as race track officials will allow. Xantex should not be administered within two hours of post time.

**OPTIONAL DOSE:** You may want to administer full syringe exactly 24 hours prior to administering the mandatory dose above.

**CAUTION:** Keep out of reach of children. Do not use on horses intended for food.
